

Why does everything have to be about some form of corporate monopoly? Having FREEDOM OF CHOICE should be just that. XM radio offers a variety of formats that aren't available on regular radio. I choose not to be bomarded by sickening commercials all day long. If there are soldiers in other parts of the world fighting and losing their lives for our FREEDOM, shouldn't we be allowed to have it. Especially if we are willing to pay for it ourselves. Therefor I being an XM radio listener urge the FCC to reject the NAB's petition 04-160. Please let us keep our FREEDOM.
